Warm Up For Winter—Warm Up New Zealand: Healthy Homes

Warm Up For Winter is a programme which is run under the Energy Efficiency and Conservation Authorities Warm Up New Zealand: Healthy Homes scheme. Under this scheme eligible homes receive free ceiling and under floor insulation which is professionally installed by Right House Ltd. Research has proven that insulated warmer drier homes reduce the number of day's families have off school and work leading to better education outcomes and greater productivity.

Who qualifies?

For a limited time low-income households occupied by people with health issues, or with children under 17 yrs old or people over 65 yrs old have the opportunity to make their home warmer, drier and healthier for FREE.

How are funds raised?

To participate, schools are requested to promote Warm Up For Winter to their community and in return Right House will pay the Parent Teachers Association (or nominated entity) $20 (including GST if any) for each home referred by the school that Right House installs insulation into. Right House will manage the referral process, the assessment and installs. Terms & conditions apply. Please phone Hamilton North School on 07 849 3029 for an application.

SUMMER HOLIDAY PROGRAMME

Dates	Kids Club HP	13th January - 17th January
	TAYAG HP	20th January - 24th January

Please contact us for enrolment forms and return to us as soon as possible. LET ME EXPLAIN WHY! In order to book and secure the Activities for the children, develop budgets, work out our staff ratio's and prepare the staff to work with 'your' child, we need the enrolment form returned and numbers obtained. Visual schedules are completed once all the above information has been obtained. We appreciate your assistance in this process.

Please note that all participants must be current financial members of Autism NZ.

Hamilton North School

Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.

14 November 2013 Volume 19

Principal's Corner

Welcome to Week 5

This term appears to be racing and over the next four weeks classes are working hard to complete their years work before they enjoy some planned class outings to finish off the year.

This week SLC 5 and 6 are at camp at Mt Maunganui and are enjoying the weather and new challenges and experiences that have been planned for them. From camp everything has been going very well.

SunSmart: We are a SunSmart School and have been working with our students to discuss the benefits of wearing hats and sunblock when outside. As staff we are trying to be good role models and wear our hats when outside but on occasions we too are remiss! To help us could you please ensure the hats sent to school are named. We will also ensure sun screen is applied when classes venture outside.

Construction Work: The Base school ablution block refit continues at a steady pace with the new roof going on today. Everything is on track to meet the deadline to be completed by the beginning of the 2014 school year.

Reminder: End of Year Prize Giving will be held in the MPR room at Hamilton Junior High School on December 11th. Can all parents/caregivers and guests be seated by 10:15am: Please write this date in your diary so that you don't miss this important date. For many this is a special day where we recognise student excellence and achievement.

School Dates to remember 2013:

Term 4: Mon 14 Oct to Fri 13 Dec
