All forms for membership and programmes can be found on our website.

Membership is \$10 per year for individuals and \$15 for a family.

We have programmes that families may be interested in such as funding to help pay for items like bibs, broly sheets and items they sell at Life Unlimited. Modified trikes and help paying for taxis may also be available. The programme for swimming is the 'Get Physical' programme. You need to be a member for more than a year to be entitled to apply for funding as applications have far exceeded what we have budgeted for.

We look forward to hearing from you in the future.

Principal's Corner

Welcome to Week 6 !!

The start to this term has been very hectic, but enjoyable, as students attack new learning and attend various sporting competitions.

[Special Olympics - Soccer Tournament](#)

Last Wednesday students from SLC 1, 3 and 7 travelled to Matamata for the annual Special Olympics Soccer where teams were involved in skill sessions and games. Our students acquitted themselves very well and enjoyed a very successful day.

[Arbor Day](#)

This Friday a number of SLC students are part of a huge group of volunteers from local schools who are participating in the Arbor Day "Big Dig In". It is held at Waiwhakareke in the Lake Rotokauri area. Our students really enjoy this day.

[PROFESSIONAL DEVELOPMENT DAY](#)

A big thank you to all parents and caregivers for the way you responded to the request to keep your children home last week. This support was really appreciated and allowed staff to attend the professional development led by Joseph Driessen. The day was very successful and affirmed many initiatives that we have instigated here at Hamilton North School as well as building on our knowledge.

[Final Reminder for Fieldays - June 13-16](#)

Thank you to all those families that have offered to either keep their children at home or provide assistance at Fieldays. This is greatly appreciated. For those of you that we haven't heard from as yet, we have **enclosed the form** again. Any assistance you can provide will be appreciated. Please ignore it if you have already sent in your form previously. Once again thanks for the on-going support for this fundraising venture. Your efforts are all very much appreciated.

[Queens birthday weekend](#)

Queens birthday is next Monday (4th June) and therefore a **Public Holiday (no school)**. Enjoy the long weekend.

Science

As part of our animal unit Base 4 visited the pet shop and the SPCA .
The students were fascinated by the animals and were able to observe them in a variety of habitats.
They were also given the opportunity to pat, hold and feed some of the animals.
