

Metal Recycling

If you have any old toasters, pans, kettles, bicycles, fridges, washing machines – in fact anything made of metal we will collect it. If the item is large e.g. a fridge or an old car! – please contact the school on 849 3029 and we will organise a special pick-up.

Collection can be arranged if required in the future also.

Cerebral Palsy Society Website www.cpsoc.org.nz

All forms for membership and programmes can be found on our website.

Membership is \$10 per year for individuals and \$15 for a family.

We have programmes that families may be interested in such as funding to help pay for items like bibs, broly sheets and items they sell at Life Unlimited. Modified trikes and help paying for taxis may also be available. The programme for swimming is the 'Get Physical' programme.

You need to be a member for more than a year to be entitled to apply for funding as applications have far exceeded what we have budgeted for.

We look forward to hearing from you in the future.

Parent Group Meeting

Where: Fresca Cafe

78 Alison Street, off Kahikatea Drive, Hamilton

If you need help with transport or directions please feel free to ring Lillian 0210674390

When: Wednesday 27th June, 9:45am-12pm

Why: We are having a morning tea. Please come and enjoy a cup of tea or coffee with other parents from our school.

This is the time to share ideas or information with others about your child's disability.

LUNCHBOX FILLERS

Easy nutritious snacks for the lunchbox

Rice crackers are a good source of carbohydrate which gives your body energy to GO for the whole day.

10 crackers is one serving. You can add cheese, tomato, cucumber, pickled onions or anything else to mix it up a bit.

Term Dates 2012

Term 2 - Mon 23rd April to Fri 29th June

Term 3 - Mon 16th July to Fri 28th Sept

Term 4 - Mon 15th Oct to Tues 18th Dec

Hamilton North School

Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.

21 June 2012 Volume 10 2012

Principal's Corner

Welcome to Week 9!!

Thank You

On behalf of the Board of Trustees I would like to take this opportunity to thank the Staff and Parents that assisted with Fielddays. This was a very successful fundraising venture that has realised almost \$6000 from the sale of 9788 programmes. Staff and families help in many different ways but in the end our children will benefit when we purchase an iPad for each class. Don Bright (Chairperson).

End of Term 2

Next Friday, 30th June is the end of term 2. It is difficult to believe that we are actually half way through the year but when we look back over the term it is interesting to look at all the exciting activities that the students have been involved in.

ANZAC visits to the cenotaph

Junior First Aid experiences at Crawshaw

Special Olympic Days—soccer and ten pin bowling

Arbor day planting

Matariki celebrations

Finishing off with Fielddays and professional development for staff.

While all these activities outside the class room have been taking place, exciting learning has also been happening inside the classrooms culminating this week with Matariki celebrations throughout the school.

Again on behalf of the Management team our thanks for the ongoing support that we receive from the Parents/Caregivers and local community, we really appreciate this and look forward to another busy and productive term beginning on the 16th July when we can all look forward to Base and SLC productions.

Quote: "Self Sufficiency"

"In the final analysis it is not what you do for the children but what you have taught them to do for themselves that will make them successful human beings."

Tony Kane
Principal

SLC2 visited the Hamilton Gardens to learn about different cultures. We talked about our own cultures, especially Chinese and Maori. We learned that statues help protect the entrance to special places.
