

Autism Waikato

Soups and Movies in August

During July and August we are holding Soup and Movies events in order to provide education and support to families with members on the ASD Spectrum.

The movies will be shown at our new offices on 57 Sunshine Avenue, Te Rapa, Hamilton.

Please let us know you are coming by phoning 07 849 2896 or 07 849 2897 or email on waikato@autism.org.nz so that we can cater for you. In order to cover the costs of soup and refreshments there is a fee of \$5.00 per family or \$3.00 per person.

GIVE YOUR CHILD A HEAD START!

GKR Karate is conducting classes for children, adults and families in your area.

- Build Confidence
- Improve Fitness
- Gain Self Discipline
- Learn Self Defence

Did you know? 'Karate kids' are less likely to be bullied – or become bullies – as they develop greater self-confidence and respect for others.

Did you know? Children's school work and classroom behaviour can be greatly improved through karate's disciplined and respectful training environment!

All forms for membership and programmes can be found on our website. Membership is \$10 per year for individuals and \$15 for a family. We have programmes that families may be interested in such as funding to help pay for items like bibs, broly sheets and items they sell at Life Unlimited. Modified trikes and help paying for taxis may also be available. The programme for swimming is the 'Get Physical' programme. You need to be a member for more than a year to be entitled to apply for funding as applications have far exceeded what we have budgeted for. We look forward to hearing from you in the

Eat protein for repair

To cycle as well as Alison Shanks, you need protein to grow and repair your muscles. Eating 1-2 servings of lean meats, seafood, nuts, legumes or beans will give you enough protein to do this. One serving of meat is the size of your palm and the thickness of your index finger.

Term Dates 2012

Term 3 - Mon 16th July to Fri 28th September

Term 4 - Mon 15th October to Tues 18th December

Hamilton North School

Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.

2nd August 2012 Volume 12 2012

Principal's Corner

Welcome to Week 3!!

New Students

I would like to welcome Christopher Aberahama (SLC1) and Dallan Kahuroa (Base 4). We wish them and their families all the best while they are at Hamilton North School.

Congratulations to student Adam Schoenhardt (SLC 3) on being chosen as a finalist in the IHC Art Awards.

Reminder our Targets For Improving Student Achievement 2012 laid out in the school's Charter are as follows: Throughout the year classes will be developing their understanding and knowledge in these two areas.

1. English:

Staff and students will display improved knowledge and skills about the meaning of English.

2. Supporting Student Achievement Through Cultural Awareness

Developing student learning through building relationships based upon our growing understanding of multi-cultural practices, principles and Key Competencies.

Thank you Parents /Caregivers with Sick Children

Thanks to all those families who are supporting the schools policies by keeping their children home when they have flu or cold symptoms and are unhappy due to illness. This really is appreciated and helps restrict the spread of flu and viruses amongst students and staff. If your child is sick please phone the school and leave a message at the office. Please don't contact the teacher directly except Satellite classes on the classroom phones only. Thanks.

Transport - Reminder

Please remember if you are shifting addresses, adding addresses for shared-care or respite care then you need to fill out a full transport application form. The whole process can take up to 2 weeks. So, please, if you know changes are to occur act early and request the forms or come in and sign them.

Also if your child is to be away from school could you please contact *Trikiso Buses* on 8472203.

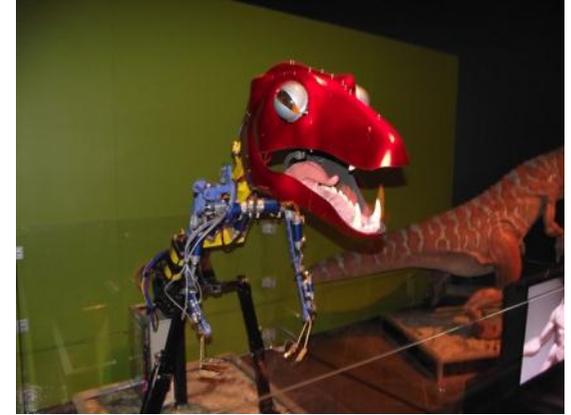

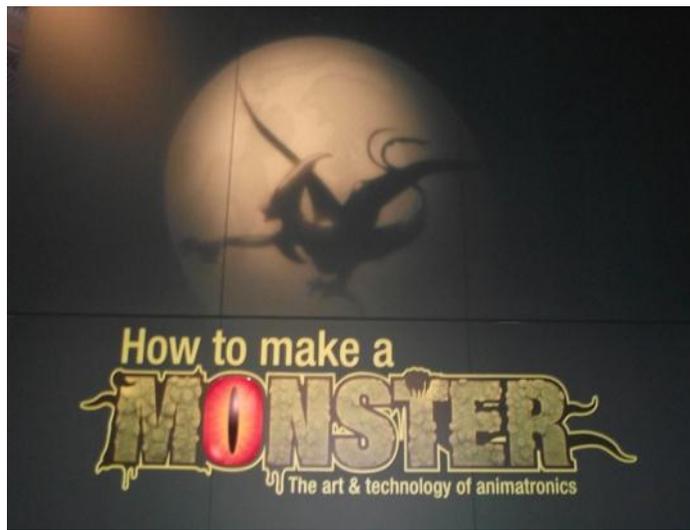

Phone Calls to School

Can I please ask parents and caregivers to leave a message at the office rather than disturb busy teachers during class instruction times. Both Martin or Tracy will record your message and pass it on at the first break. We would appreciate your support in this matter.

Quote: "Self Sufficiency" - "In the final analysis it is not what you do for the children but what you have taught them to do for themselves that will make them successful human beings."

Tony Kane
Principal

SLC 3 went to the "How to make a Monster" exhibition at the Waikato Museum. We learnt a lot about animatronics and the processes involved in creature development for movies and television. We discovered the pulleys are the main mechanism used to make the creatures move.
