

Parent Support Meeting

We are having a meeting at Lillian Jarrett's home on Wednesday the 26th September 2012 from 10am to 12pm. Address: 8A Morgan Rise, Highbrook, Whatawhata. If you need help with transport or directions please ring Lillian on 021 067 4390.

Epilepsy Waikato are coming to talk about Epilepsy and how to manage it. Come and have a cup of tea or coffee and share your ideas with other parents from the school. Please RSVP to Lillian before meeting date on above mobile number.

Metal Recycling

If you have any old toasters, pans, kettles, bicycles, fridges, washing machines – in fact anything made of metal we will collect it. If the item is large e.g. a fridge or an old car! – please contact the school on 849 3029 and we will organise a special pick-up.

Collection can be arranged if required in the future also.

What should I eat before I compete?

To be an amazing BMX rider like Sarah Walker it is important to fuel your body with the right food so you have enough energy to get you through your race. For breakfast, try Weetbix or porridge with milk and fruit. It's also important to drink plenty of water before you start: aim for at least half a bottle (400ml)

Welcome to Week 9

It is difficult to believe that we are nearing the end of the third term. When we look back we have accomplished a great deal during this term. The Junior Syndicate presented 'Going on a Lion Hunt' while a number of SLC classes entertained parents with their Matariki presentations and one off drama performances.

Our Crawshaw Satellite classes and SLC held successful Olympic Games Days with all students enthusiastically participating in all events. Many of the SLC students also participated in Basketball, League and Tenpin Bowling Special Olympics competitions with great success. The number of parents/caregivers supporting the students on these days added to the students enthusiasm and gave them extra encouragement.

Sickness:

Once again our thanks to all parents/caregivers as you support the school in keeping your children home when they have illnesses. We have experienced high numbers of student and staff absences during this term but this has definitely helped in helping to reduce the spread of sickness.

Base School - Room 5

The Energize Sports co-ordinator came to show the class new games and teach new skills.

One of the favourite games was “Rippa Rugby”.

Students also got to practice their throwing skills with different types of balls.
