## Welcome to Week 3

The feedback from the trip to 'Mary Poppins' in Auckland for many of our girls was tremendous and yesterday many SLC students successfully participated in the Special Olympic Athletics at Porritt Stadium.

**Community Spirit** is very much alive as many people rang the school with siting's of our missing trikes and others have offered trikes that are no longer needed to the school. Thanks to some alert people we have been able to find two of the trikes and a young man is helping the police with their enquiries.

This is all on top of the usual classroom activities, excursions and festive season events that classes celebrate towards the end of term.

Unfortunately, the beginning of this term has been somewhat soured by vandalism and the theft of three trikes and two bikes that were stored in the garage at Base. These instances have been deliberate and calculated and have been referred to the police for investigation. Please if you see or hear anything let the school know.

## Development of new Satellite Classes

The school Board of Trustees along with the Ministry of Education have been in negotiations with Horotiu and Te Totara Schools for the development of two double satellite classes at each school. This has been part of the Special Education Strategy, 'Success for All', for all students and integration within the mainstream setting. This is an exciting time for us as we engage in the planning stages of the buildings and working with two new schools and their communities. Expectations are that they will be ready for the 2014 school year.

## Taha Maori 2012

During the year, our junior classes throughout the school have been learning the Maori names for parts of their Tinana.

"This is my waha".

"This is my ihu".

"This is my taringa".

"These are our pakahiwi".

"This is my kanohi".
