FIZZY DRINKS

Fizzy drinks contain lots of sugar which is not good for children's teeth. Fizzy drinks also contain no goodness (vitamins, minerals etc) for growing children.

1 can fizzy drink = 10 tsp sugar
1 600ml bottle fizzy drink = 16 tsp sugar

Principal's Corner

Welcome to Week 4

Sadly the last two weeks have not been great for our school family.

Toby Leggett from Base 4 passed away. Toby was a bright and eager student that always wanted to be involved in his classroom activities.

During the weekend Raina Cook's husband (Classroom teacher SLC 5/6) passed away unexpectedly after a short illness. Albert Cook was a father to 5 adult children and a leader in the Pukete Latter Day Saints Church and will be sadly missed by many.

Andrea Lavasii's father (Waipa Satellite classroom release teacher) has passed away - Papa Ron will be missed by his family.

All have touched many people in different ways and will be fondly remembered for who they were. Our thoughts and prayers are with these family's as they negotiate the times ahead.

Board of Trustee Elections

Positions on the Board of Trustees are due for renewal this year. If you think you have something to offer and would like to put your name forward or find out exactly what is involved, then see Martin (Returning Officer) in the School Office or contact him on 849 3029.

Coming Events

March 8th Special Olympic swimming sports at Te Awamutu Swimming complex.

March 25-28th Camp at Coromandel for SLC 1,2,3 and 7.

2013 ACTIVITY FEES will be \$80

The Board of Trustees has recognised the pressures that families are under and have again kept the 2013 fees at \$80. Unfortunately, with many price increases we are finding it difficult to fully fund all our activities. I can honestly say that Hamilton North's activity fees go towards covering the many costs that the school incurs in providing the many and varied activities for students such as: Weekly swimming, horse riding, transport to activities and community outings to local facilities. Unfortunately, student ORS funding only covers therapy and Para Professionals (Teacher Aides). The activity costs are met from activity fees and fundraising. As costs continue to increase your assistance by paying the fees is appreciated. So for 2013 we are suggesting families may like to pay \$20 per term to make it easier to budget.

Visual Art

Painting with a difference!

Students had a lot of fun using balloons as a painting tool. Artists were able to grip the balloon and bounce it on the paper to create a warm coloured background.

You are warmly invited to come and view the colourful portraits displayed in the school foyer.

These were painted using this technique.
