

Metal Recycling

If you have any old toasters, pans, kettles, bicycles, fridges, washing machines – in fact anything made of metal we will collect it. If the item is large e.g. a fridge or an old car! – please contact the school on 849 3029 and we will organise a special pick-up. Collection can be arranged if required in the future also.

School Wide Fundraiser in association with New World Te Rapa & Fly Buys:

Hamilton North School has the on-going opportunity to earn grocery vouchers for the school. All you have to do is use your Fly Buys card at New World Te Rapa. The school earns \$1 for every Fly Buys point that you also earn. Please note, this sponsorship arrangement does not affect how you earn or redeem your Fly Buys points. If you would like to help, all you have to do is give us your Fly Buys number and we will do the rest.

Thank you to Parents and Caregivers

We would like to thank Parents and Caregivers for your continuing support and paying for school events like the Pacific Dance Group who recently visited the school. The event was a great success and worth every penny!!

Principal's Corner

Welcome to Week 9!!

[Thank You](#)

On behalf of the Board of Trustees I would like to take this opportunity to thank the Staff and Parents who have assisted throughout the year with fundraising. There have been a number of very successful ventures that will greatly support students and programmes within the school, such as the Walkathon and Fieldays. Staff and families help in many different ways. In the end it is our children that benefit from any purchases that enhance their education such as iPads. [Don Bright \(Chairperson\)](#).

End of Term 2

Next Friday, 12th July is the end of term 2. It is difficult to believe that we are actually half way through the year but when we look back over the term it is interesting to look at all the exciting activities that the students have been involved in.

ANZAC visits to the cenotaph

Special Olympic Days—soccer and ten pin bowling

Arbor day planting

Matariki celebrations

Visiting performers

All this added to the classroom programmes and visits to local events/activities makes school a very lively and interesting place for all our students.

Transport Reminder

If you are changing addresses or changing care-givers can you please make sure you ask for a new transport form so that we can have any changes in-place before the beginning of term 3. Changes usually take up to 3 weeks to action.

No transport change can be made without filling in a new application

SLC 3 KAHURANGI NZ MAORI DANCE THEATRE

During Term 2, SLC3 along with the rest of Hamilton North, were taken on a historical and informative tour of 'time and culture' through the history of the Polynesian people that culminated in the arrival and migration to New Zealand by the Māori people.

SLC 3 were engaged and enthusiastic as the troop introduced the clothing, formal greetings, instruments, implements, dance and history of the cultures of Samoa, Hawaii, Cook Island and Aotearoa.
