SOW SPRING VEGGIES

Traditionally Matariki is about harvesting then preparing the land for next spring. Try sowing veggies like peas, broad beans, cauliflower, broccoli, cabbage and spinach.

TRADITIONAL MEALS MADE HEALTHIER

Ensure meals have lots of veggies. Puha, watercress and spinach are great. Reduce the fat in meat dishes like boil up by trimming off any visible fat before cooking.

Week 5

We have reached the half way stage for term 2 with the SLC students this week engrossed in their TechArts week at Hamilton Junior High School. The students look forward to this week and really enjoy the different learning activities.

Last week a number of students joined many others from around Hamilton for the annual Arbor Day planting at Horseshoe Lake, at Rotokauri. As happens every year, the day was cold but the students all enjoyed the experience and were pleased to be part of such a large gathering of school students.

Fieldays - June 11-14

The students have worked tirelessly to ensure the 10,000 programmes have been bagged and repacked ready for Fieldays. Early next week they will be transported to Mystery Creek ready for the Wednesday.

Thanks to all the families who have assisted with this fundraising venture as it is very much appreciated. The sellers leave school at 6:00am and return after a full day at 4:30pm while the rest of the staff continue to run classroom programmes. Again, thank you all for your ongoing support.

Board Of Trustees position

A position for a parent representative has become available on the Board of Trustees. If you would like further information as to what the position entails or would like to put your name forward please in the first instance contact the Board Chairperson - Shelley Campbell on 021 160 5041. Feel free to send a text message expressing your interest and Shelley will phone you back.

IMPORTANT TERM DATES

TECHART Week MUSIC

SLC 1 students enjoyed participating in a day of music and drama. Students were able to use the dress-up props to get well into their characters.
