Principal's Corner

Week 7

On behalf of the Board of Trustees I would like to take this opportunity to thank the Staff and Parents who assisted with Fieldays. This has been our 7th year selling the programmes and again a very successful fundraising venture due to the support of families and staff. Just the packing of the programmes into the bags earned \$2250 and together with the commission from programmes sales we will have realised almost \$6000. This will be spent on items that will enhance student learning.

Measles Outbreak

The outbreak of measles at local schools has had a significant impact on Hamilton North School. Because our students are very susceptible to any infection being transmitted we have vigorously followed the guidelines laid down by Health Waikato. I know this has affected all families but the health of our students is paramount. I would like to **thank you all**, for positively supporting the school with the measures we took and I am sure we are all now far better prepared for any future cases of measles and flu symptoms that may occur.

Reminder -Board Of Trustees position

A position for a parent representative has become available on the Board of Trustees. If you would like further information as to what the position entails or would like to put your name forward please in the first instance contact the Board Chairperson - Shelley Campbell on 021 160 5041. Feel free to send a text message expressing your interest and Shelley will phone you back.

Te Totara Satellite Class

The class is now up and running with 5 students happily working with teacher Lorene Cottam. The school has been very welcoming and the students are enjoying mixing with the Te Totara students at break times.

Important Term Dates

BASE SCHOOL MEET THE

This term Base School had the opportunity to watch the Waikato Chiefs during a rugby practice.

Some of the students were lucky enough to have their photos taken with the players while others were able to try out the equipment.
