Principal's Corner

WEEK 3

From the Principal's desk one observes just what a busy place this school is, as parents, GoBus buses, the school vans, the therapists' cars, Seating to Go, Enable, Suppliers and all the Tradies at Base School come and go on a daily basis making school a very active and busy place to be. The regular curriculum and community programmes have continued throughout the building and renovations with little disruption.

This school is a very humbling but wonderful place to work. I am very thankful for the many families and caregivers who support our students by promoting fundraising activities, learning experiences, following health and well-being policies, providing resources and networking for our school. Every day staff have stories to share about the new skills that students are learning. The efforts of the students and staff are always inspiring to observe.

Thank you to all the team for the efforts that go into our youngsters and keep up the great work.

Reminder our Target For Improving Student Achievement throughout 2015 and as laid out in the School's Charter is as follows:

"The Foundation Skills of Literacy"

To improve students' ability to engage successfully in learning by identifying and promoting growth around their deficiencies in the foundations of motor development.

THANK YOU PARENTS /CAREGIVERS WITH SICK CHILDREN

Thanks to all those families who are supporting the schools policies by keeping their children home when they have flu or cold symptoms and are unhappy due to illness. This really is appreciated and helps restrict the spread of flu and viruses amongst students and staff. If your child is sick please phone the school and leave a message at the office. Please don't contact the teacher directly except Satellite classes on the classroom phones only. Thanks.

TRANSPORT:

Please remember if you are changing addresses, adding addresses for shared-care or respite care then you need to fill out a full transport application form. Also if your child is to be away from school could you please contact **GoBus** on 846 1975 for Hamilton, 07 828 7037 for Huntly or 07 871 6363 for Te Awamutu area students.

Quote: 'Self Sufficiency'

"In the final analysis it is not what you do for the children but what you have taught them to do for themselves that will make them successful human beings"
