PARTY IDEAS **IT ALL ADDS UP!**

Lollies are packed full of sugar and no goodness. Did you know?

1 Jet Plane = 1 tsp sugar
1 Lollipop = 2 tsp sugar

Sugar adds up during a party, so look for naturally sweet goodies. Frozen blueberries and grapes taste great!

PARTY IDEAS **FRUITY ICE-CREAM**

Freeze peeled bananas. When frozen blend in a food processor for great tasting banana ice cream.

Try adding frozen berries, plums or mango for a flavour boost!!

WEEK 9

The last two weeks have been incredibly full with sports and cultural events. I have seen some very excited students enjoying themselves in productions, at the ball and at sports events. As a school we can be very proud of our students in the way they conduct themselves at these activities. I must also thank the staff who have put in extra time to make sure our students have the best opportunity to attain success.

The School Ball:

A hugely successful night with groups attending from throughout the Waikato Region. Although tired by the end of the night they all really enjoyed themselves.

Special Olympics Basketball Competition:

Held at Fraser High School on Tuesday. We had 3 teams competing in the day with the Senior Team winning the competition. All our teams showed fantastic sportsmanship and gave their very best.

Crawshaw Production:

Rooms 6 and 17 joined the Whanau Group at Crawshaw School last Tuesday in an entertaining performance. Every student participated before a large audience and all performed exceptionally well.

Transport Reminders:

If you are shifting house or changing carer at anytime you will need to fill out a **NEW Transport Application** for your child. Shifting out of zone can also mean you can lose the transport so please see me at the office for this application as they do take up to two weeks to be processed by the Ministry of Education. Also, if your child is sick can you please let the bus company know on 021314442 Lynda (Hamilton Area), 021747191 Joanne (Huntly/Ngaruawahia/Waipua Areas) or 021759084 Greg (Te Awamutu Area).

Kodey Cargill Sadly passed away last weekend after a short illness. Kodey was in Base 1 and 2. Our thoughts are with the family at this sad time.

Daffodil Day in B5 was made up of the students creating their own flower. They used yellow and orange paint, a cup cake holder and a real life flower to look at to make the connection with their work.
