Principal's Corner

**WELCOME**

The term continues to move quickly with many activities and events occurring on a weekly basis. Last week a group attended the Trust Waikato Symphony Orchestra performance at Clarence Street Theatre and by all accounts a very exciting time was had by all. Another group participated in a weaving workshop held at the Museum which again was a rewarding experience for all involved. I know teachers continue to organise and plan activities that extend and create interest in activities as part of the school curriculum. Special Olympic competitions will follow again this term and I can see the students are looking forward to being involved after watching our athletes performing on the world stage.

New Students: I would like to welcome back Hemi Taipari who has returned to our Crawshaw Satellite Class. **We welcome Hemi and his family and wish them well for their time with us.**

Board of Trustees: The next meeting is next Monday 15 August at 1:00pm

Reminder - Health and Safety: Our students are all taught to keep to the **RED PATH** when near the car park. Could parents/caregivers please do the same and model the behaviours we are trying to instil in our students. This will also assist in improving safety in and around the car park. Thank you to those parents/caregivers who have been modelling this behaviour. We really appreciate your ongoing assistance.

### Thank you Parents /Caregivers with sick children

Thanks to all those families who are supporting the school's sickness policy by keeping their children at home when they are sick. This really is appreciated and helps restrict the spread of illness amongst students and staff. If your child is sick please phone the school and leave a message at the office. Parents of Satellite class students can make contact directly on the classroom phone - Crawshaw 07 849 7628, Waipa 07 824 8753 or Te Totara 07 282 0896. Recently the students presented representatives from the Lions Club with several buckets of can tabs the student's had collected for the "Kidney Kids" charity.

The Lion's Club will also partner the students in gathering old New Zealand and foreign currency to raise money for the "Kiwi Kids Foundation". Any donation of old currency will be gratefully received and can be sent into school with your child or dropped into our school front office. Thank you.
