

SPEED coming into School:
Important Safety Reminder

Road manners would also have vehicles exiting our carpark giving way to those coming in.

Hamilton North School
 Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.
 08 September 2016 **Volume 15**

Principal's Corner

Welcome to Week 7

Paid Union Meeting (PUM): Thank you all for being supportive for the first time Nationwide meetings to discuss the future levels of Education funding.

As you know the Hamilton meeting is to take place on Monday 12th September from 9:00am until 11:00am at the Claudelands Event Centre and as we have a large number of Teachers and Support Staff attending the PUM, classes at all our sites will be under staffed or have no staff available, causing Health and Safety issues. Parents/caregivers have been great in indicating whether their child will be dropped off at 11:15am or stay away for the day. There are however a few families who have yet to reply. If you could do this by tomorrow that would be much appreciated. Remember too, Gobus drivers will not be making pickups in the morning but will be available in the afternoon. Thank you for your assistance, it is really appreciated.

Special Olympics Basketball: This occurs next Tuesday in the Fraser High School Gymnasium beginning at 9:30am and runs until 1:00pm. This is a great opportunity to see our students in action and the skills that they have.

Early next term we have the Special Olympics Athletics, and cricket competitions occurring, so we will keep you posted when these dates are finalised, so that you can come and support our students who really benefit from their families/caregivers giving them encouragement from the side-lines.

This is really appreciated - Parents /Caregivers with sick children keeping them home:

Thanks to all those families who are supporting the school's sickness policy by keeping their children at home when they are sick. This is really appreciated and helps restrict the spread of illness amongst students and staff. If your child is sick please phone the school and leave a message at the office. Parents of Satellite class students can make contact directly on the classroom phone - Crawshaw 07 849 7628, Waipa 07 824 8753 or Te Totara 07 282 0896. Also if your child is to be away from school could you please contact *Go Bus*; for Hamilton ph:021 314 442, Huntly ph:021 747 191 or Te Awamutu ph:021 759 084. Thanks.

Education Review Office: We have had initial meetings with the Education Review Office lead reviewer who has confirmed they will be in the school from Monday 17th to Thursday 20th October. There will be a time when they meet parents and supporters of the school so I will let you know times and dates once a finalised timetable has been agreed to.

GO, GROW, GLOW!

PEANUT BUTTER BALLS

1 ½ cup nuts 1 ½ cup dates
 ¼ cup coconut 2 Tbsp peanut butter

Soak dates in hot water for 5mins. Drain water and keep separately. Blend all ingredients in food processor until mixed. If too dry use some date water. Roll into 15 balls. Store in fridge.

Find us on fb.com/ProjectEnergize

GO, GROW, GLOW!

SNACK SWAPS

Snacks are mini meals and should come from the four food groups, providing the body with goodness and fuel.

SLC 3 Cooking

SLC 3 have been practicing cooking independently in small groups. They are working at creating a variety of meals from different proteins, fats and carbohydrates. After completion the students have to serve a meal to the class and enjoy the meal as a group.
