THE RED PATH

Please when bringing in or taking your children home, can we ask you all to keep to the red cobblestone paths.

We are teaching our children to do this and by you using them that will be modelled and reinforced. It will also reduce the risk of an accident happening.

Your assistance will be very much appreciated.

Fortnightly Reminders:

ABSENT STUDENTS:

IF YOUR CHILD IS GOING TO BE ABSENT, PLEASE PHONE THE SCHOOL OFFICE ON 07 849 3029 SO CORRECT ATTENDANCE CAN BE RECORDED.

All Parents / Visitors:

All parents/visitors report to Reception upon arrival to school to SIGN IN.

SPEED coming into School:

Important Safety Reminder

Road manners would also have vehicles exiting our carpark giving way to those coming in.

EVERYDAY FOOD HEROES

OATS

Oats are a great breakfast choice. They are high in fibre to keep you going and packed full of vitamins and minerals. Try adding to a smoothie or home baking.

Principal's Corner

Welcome to Week 3

It is only week 3 and already we have had so much happen that has involved everyone throughout the school. The [Education Review Team](#) visited the school last week and were very impressed with what they heard and witnessed during their stay. From initial feedback they were impressed and they have identified some areas that are requiring adjustment. These will be outlined in the written report which we will receive in a couple of weeks and can respond to.

My thanks to the parents/whanau and outside agencies who supported the school by attending meetings with the ERO team. Again the Team were impressed with the discussions and information conveyed.

Welcome Back: To Fabio Taylor-Eynon and his family who have returned to our school. We wish them well for the future.

Rototuna High School: Students Identified: We have identified students that fit into the zoning for this school and would be able to cope with being part of a large school. The students will be bringing home a letter tonight with information about the process and opportunities.

The Trillian Variety Mini Bash occurred on Friday 14 October when we had 20 vehicles of all ages arrive at school. What a highlight for our students to be able to mix and mingle with the drivers and supporters of this great Club. Our students were given all types of rewards from caps to toothbrushes. The stay was short but much appreciated.

Special Olympics Athletics were held at Porritt Stadium last Thursday 20th October and although the weather looked horrible they managed to get through the day without getting wet! Very relieving for all! Our students did extremely well and were very proud of their ribbons at the end of the day. According to reports there are some very fast runners in the Waikato and not all of them at Hamilton North School.

Class Visits Our classes from Te Totara have both visited 'Butterfly Creek' near Auckland Airport as part of their Inquiry Learning and gained a great deal from their experience.

Birds of Rio de Janeiro

During term three the creative students in Room 6 produced an original and colourful piece of art work. With the Olympics in mind, students explored the birds of the tropical rainforests in Brazil. The focus was art elements of line, shape and colour. Students were led through a step by step drawing sequence using a vivid pen. They painted the drawing in bright colours. For the background they used green and yellow paint and created texture with scrapers.

They then glued their cut out birds onto the background and added feathers and paper to embellish their artwork.
