

SPEED coming into School:
Important Safety Reminder

Road manners would also have vehicles exiting our carpark giving way to those coming in.

LEGO® Group

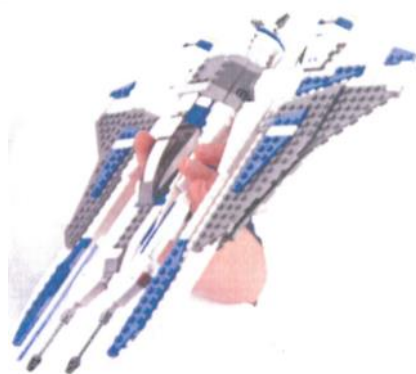

Weekly sessions are from 4.00pm – 5.00pm on Monday, Tuesday, Wednesday or Thursday in Hamilton
 To find out more, please contact:
 Samantha Mayall LEGO Coordinator, Autism New Zealand Waikato Branch

| 7 Jul | School photos |
| 8 July | Term 2 ends |

Hamilton North School

Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.

19 May 2016 **Volume 8**

Principal's Corner

Suddenly after great weather winter has arrived with a bang! Literally! Unfortunately, this caused our teams to return early from the Special Olympics Soccer Competition in Matamata yesterday. Up until that time our students had completed the "Skills Section" of the day really well. The students were really disappointed to miss the games but with little shelter and very heavy rain the decision was made to withdraw. Hopefully, an improved day will occur for Arbor Day and continue on through Fieldays. Next week we also have student's involved in the Very High Needs Ten Pin Bowling Competitions. This is an exciting day for the students and one that they really look forward too.

MEASLES: In light of recent reported measles cases in the Waikato we would like to remind our Parents and Caregivers of the Ministry of Health guidelines and our school policy. In the event of a confirmed case of measles at school or our staff/students have contact with a confirmed measles case then all students and staff who have not been immunised will need to be stood down for at least 2 weeks. This is in accordance with The Ministry of Health.

Board of Trustees Elections: This is the final week to send in your nominations which are due by tomorrow. Please make an effort send a nomination if you would like to be involved with the BOT.

Fieldays - June 15-18: Selling and bagging **Programmes for Fieldays, at Mystery Creek. For those new to the school, this is a whole school initiative.** We intend operating the same way as in previous years. Many of those who are unable to help with selling, offered to keep their children at home so that support staff were freed up to help at Fieldays with the selling of programmes. (Attached you will find a return slip to fill out and return to school as soon as possible so that we can organise numbers.)

Quote: ' Reserve your right to think, for even to think wrongly is better than not to think at all!'

Tony Kane
Principal

BASE 3

Students in Base 3 participate in a variety of physical activities, such as, trike riding, gymnastics, Energize, RDA and daily walks. These activities help improve stamina, fitness, tolerance and concentration levels.
