SPEED coming into School:

Important Safety Reminder

Road manners would also have vehicles exiting our carpark giving way to those coming in.

Reminder: Visitors to School

All Parents & Visitors must report to Reception to SIGN IN upon arrival to school, then SIGN OUT again before leaving.

Unwell/Absent Children:

If your child is going to be absent from school please phone the School Office on 07 849 3029.

2016 Term Dates and Events:

3 Jun	Arbor Day
6 Jun	Queens Birthday (NO School)
15-18 Jun	Fieldays
7 Jul	School photos
8 July	Term 2 ends

Hamilton North School Specialist Learning Centres

Their potential will be maximized by offering them new challenges and opportunities.

02 June 2016 **Volume 9**

Principal's Corner

WELCOME To Week 5

We have passed the half way stage for term 2 with the SLC students looking forward to their TechArts week at Hamilton Junior High School. The students really enjoy the different learning activities during this week.

Tomorrow a number of students will join many others from around Hamilton for the annual Arbor Day planting at Horseshoe Lake, at Rotokauri. This happens every year and the day is usually cold and wet but the students all enjoy the experience and are pleased to be part of such a large gathering of school students.

The Very High Needs Ten Pin Bowling Competitions were a huge success with our students achieving high scores and celebrating excitedly and loudly with all their peers.

REMINDER - MEASLES: Reported measles cases are still making headlines around the country. We remind Parents and Caregivers of the Ministry of Health guidelines, and our school policy; In the event of a confirmed case of measles at school, or our staff/ students having contact with a confirmed measles case, then all students and staff who have not been immunised will need to be stood down for at least 2 weeks. This policy is in accordance with The Ministry of Health guidelines.

Board of Trustees: We had four nominations for Board Members meaning we will not be required to hold an election. Thankyou to those people who put their names forward and an official announcement presenting the elected members will occur shortly.

Fieldays - June 15-18: The programmes have arrived at school and by Friday we will have the bags and inserts to begin bagging. The students have been eagerly waiting for this to happen. If you still would like to put your name down to assist at Fieldays please contact the office. I will be in contact with those people next week who have indicated they can help. Thanks too, to those families who have said they will keep their students home.

Queen's Birthday - long weekend: Reminder there is NO school on Monday.

Quote: ' Reserve your right to think, for even to think wrongly is better than not to think at all!'

Tony Kane
Principal

Base 4 - Making Boats

This term the students have been exploring what floats as part of the Science Curriculum. They made boats by slicing up a swimming pool noodle, cutting and inserting a straw for the mast, and attaching a triangle of foam for the sail.

They tested their boats on the water - they floated !!!!
