### Welcome to Week 11:

After 11 weeks of hard work by students and staff we have arrived at the end of a long term. We can look back over the time and be very pleased with our achievements. We continue to expand and work towards our goals of giving each student the best possible education and experiences. For this reason we continue to provide as many and varied experiences as we can whether they are here at school or out in the local community.

**I.E.P Meetings:** Congratulations to all parents/caregivers who took time to attend I.E.Ps for their child. The teachers really appreciated your input and a time where they could meet you face to face.

**Reminder -Absences:** Reminder to all parents/caregivers to please phone into the school office before 9.30am if your child is going to be absent for the day.

**Early Notice: Fieldays - June 14-17:** Selling and bagging Programmes for Fieldays, at **Mystery Creek. For those new to the school, this is a whole school initiative.** We intend operating the same way as in previous years. I will send out a form early next term asking for those able to assist. Please fill in and return this to school. We have had a number of people keen to help already. Many of those who couldn't help with selling, offered to keep their children at home so that support staff were freed up to help at Fieldays with the selling of programmes.

**Transport:** If you are intending to shift house at anytime you will need to fill out a **NEW Transport Application** for your child. Please see me or enquire at the office for this application as they do take up to two weeks to be processed by the Ministry of Education. Next term GoBus will be replaced as the transport provider for our Rototuna and Te Totara Satellite Classes by Cross Country Rentals (CCR). If you need to contact CCR their numbers are as follows: 0800 467 3782 or text 027 556 0994.

**End of Term 1:** Term 1 ends today - Thursday 13th April.

**Start of Term 2:** Monday 1st May.

## SLC 5&6 CAMP - PAPAMOA

The students had a great time exploring the Bay of Plenty. They went for a ride on a barge to Matakana and Rangiwaiti Islands, fed the animals at Katikati Bird Gardens, walked the boardwalk at the Mount, fished off Pilot Bay Wharf and went to a dine and dance at the Tauranga Citizens Club.
