Principal's Corner

Welcome to Week 7

We have passed the halfway stage for term 2 and last week the Senior School students were engrossed in their TechArts week at Hamilton Junior High School. The students look forward to this week and really enjoyed the different learning activities. Unfortunately, Hamilton North School was missing from the annual Arbor Day planting at Horseshoe Lake, at Rotokauri, due to wet and cold weather when the decision was made. Lately, the weather hasn't been kind to activities we have been participating in so hopefully, Fieldays is better!

#### **FIELDAYS - JUNE 14-17:**

Fieldays week has arrived and the students have bagged and repacked 10,000 programmes. Yesterday these were transported and stored at Mystery Creek ready for opening day on Wednesday. All the students worked efficiently to complete the task in record time.

Thanks to all the families who have indicated their willingness to assist with this fundraising venture either by offering to keep their child home or by volunteering their time to sell programmes. The sellers leave school at 6:00am and return after a full day at 4:30pm while the rest of the staff continue to run classroom programmes. Again, thank you all for your ongoing support.

#### **TRANSPORT:**

If you are intending to shift house at anytime you will need to fill out a **NEW Transport Application** for your child. Please see me or enquire at the office for this application as they do take up to two weeks to be processed by the Ministry of Education.

If you need to contact CCR phone: 0800 467 3782 or text 027 556 0994.

If you need to contact GoBus phone Hamilton area 07846 1975 or 021 314 442, Huntly area 07 828 7037 or 021 747 191.

**As part of a whole school initiative, students participated in bagging 10,000 programmes ready for Fieldays. The students have become very skilled at following the sequence of placing the programme and pen in the bag and sorting the bags into sets of 10 ready to be sold by staff at the Fieldays.**
