

HEALTH CONCERNS GUIDELINES

The Board of Trustees is using the following guideline for when students are sick.

<u>Illness</u>	<u>Recommended Recovery Time</u>
Vomiting	Until food has been kept down for 24 hours after last vomit.
Diarrhoea (Gastroenteritis)	Until there has been no diarrhoea for 48 hours.
Conjunctivitis	Until eye discharge has ceased.
Measles	For at least 7 days after onset of rash.
Whooping Cough	For five days after antibiotics treatment commenced.
Mumps	For 10-12 days or swelling and temperature has ceased.
Chicken pox	For seven days from the onset of the rash and all scabs are gone.
School Sores / Impetigo	Until after the lesions have healed and 48 hours after antibiotics started.
Infectious discharge / uncovered lesions	Until 24 hours after treatment has started and/or discharge has ceased.
Cold Sores	Until after the lesion has healed.
Streptococcal Throat	For 48 hours after antibiotics started.
General Anesthetic	Allow 2 days to be fully alert and able to participate in full school day's activities.
Cold/Flu Symptoms	Until temperature has returned to normal and the nose is clear.
Ears	Until discharge or pain has ceased.
General unwellness / unfit state for learning	Until symptoms cease (e.g. at least 24 hours after last high temperature – above 37.5°) and student is in a fit state to be involved in full school day's activities.

School is a place for learning and children who are unwell need to be at home resting so that they are ready for learning on their return.

Students who require pain relief (e.g. Pamol / Panadol or Cold/Flu medication), are not well enough to attend school and therefore need to be kept home.

The school may ask for a medical certificate before the student is allowed to return to school.

Their potential will be maximized by offering them new challenges and opportunities.

The students at Rototuna Senior High School attend many cultural and sporting events. Every day at school they start by gathering as a group to participate in a Whanau Hui.

The students enjoyed participating in the Inter-schools Soccer Special Olympics Tournament, the Hamilton North School Walkathon and weekly basketball games.

As part of their reflecting on ANZAC Day they visited Memorial Park. They have attended a Kapa Haka performance by the mainstream competitive group. The students also attended the Rototuna High School's production of "Footloose".
