

**HEALTH CONCERNS GUIDELINES**

The Board of Trustees is using the following guideline for when students are sick.

<u>Illness</u>	<u>Recommended Recovery Time</u>
Vomiting	Until food has been kept down for 24 hours after last vomit.
Diarrhoea (Gastroenteritis)	Until there has been no diarrhoea for 48 hours.
Conjunctivitis	Until eye discharge has ceased.
Measles	For at least 7 days after onset of rash.
Whooping Cough	For five days after antibiotics treatment commenced.
Mumps	For 10-12 days or swelling and temperature has ceased.
Chicken pox	For seven days from the onset of the rash and all scabs are gone.
School Sores / Impetigo	Until after the lesions have healed and 48 hours after antibiotics started.
Infectious discharge / uncovered lesions	Until 24 hours after treatment has started and/or discharge has ceased.
Cold Sores	Until after the lesion has healed.
Streptococcal Throat	For 48 hours after antibiotics started.
General Anesthetic	Allow 2 days to be fully alert and able to participate in full school day's activities.
Cold/Flu Symptoms	Until temperature has returned to normal and the nose is clear.
Ears	Until discharge or pain has ceased.
General unwellness / unfit state for learning	Until symptoms cease (e.g. at least 24 hours after last high temperature – above 37.5°) and student is in a fit state to be involved in full school day's activities.

School is a place for learning and children who are unwell need to be at home resting so that they are ready for learning on their return.

Students who require pain relief (e.g. Pamol / Panadol or Cold/Flu medication), are not well enough to attend school and therefore need to be kept home.

The school may ask for a medical certificate before the student is allowed to return to school.

*Their potential will be maximized by offering them new challenges and opportunities.*

**WELCOME TO WEEK 3**

**STUDENT ABSENCES:** Reminder to all parents to please phone our school office on 07 849 3029 by 9am if your child is going to be absent from school for the day or late. You are also required to contact Go Bus or CCR.

**TRANSPORT:** If you are intending to shift house at anytime you will need to fill out a **NEW Transport Application** for your child. Please see me or enquire at the office for this application as they do take up to two weeks to be processed by the Ministry of Education. If you need to contact CCR phone: 0800 467 3782 or text 027 556 0994. If you need to contact GoBus phone Hamilton area 07846 1975 or 021 314 442, Huntly area 07 828 7037 or 021 747 191.

**THE DIGITAL TECHNOLOGIES CURRICULUM:** You may have heard that the Government would like all students in New Zealand schools to be learning how to do Coding for computer programmes. Last week some of the staff attended a consultation day with Ministry of Education staff to see how this can be achieved. Although major adaption will be required for our students, it will be possible for the students to have access to new digital technologies as they emerge and to principles of Coding in their communication.

**SCHOOL BALL:** As a school we host a Bi-annual Ball for people with disabilities. This is always a huge success and an event that many past pupils and more mature folk in our community look forward to immensely. This year we will be holding "A Night Under the Stars" on Friday 27 October at the new Rototuna Senior High School. Live music and a yummy supper will be supplied. If you know of any people over 16 years of age who would enjoy such an event please pass on the word. Tickets will be \$20 and available soon from our school office.

## Fortnightly Reminders:

### ABSENT STUDENTS:

*IF YOUR CHILD IS GOING TO BE ABSENT FOR THE DAY OR LATE TO SCHOOL PLEASE PHONE THE SCHOOL OFFICE ON 07 849 3029 SO CORRECT ATTENDANCE CAN BE RECORDED.*

### All Parents / Visitors:

All parents/visitors report to Reception upon arrival at school to SIGN IN.

## THE RED PATH

*Please when bringing in or taking your children home, can we ask you all to keep to the red cobblestone paths. We are teaching our children to do this and by you using them that will be modelled and reinforced. It will also reduce the risk of an accident happening. Your assistance will be very much appreciated.*

## SPEED coming into School:

### Important Safety Reminder

Please follow the arrows as you enter the carpark and lookout for students on trikes.

**HEALTHY HOME BAKING**

## HOME BAKING

With a few healthy changes muffins, scones, loaves and muesli bars can be made at home for a healthy, fresh and cheap snack. Also, great for the lunchbox!

Home baking = less packaging... a bonus for the environment

## FILL UP WITH FIBRE

Fibre helps us feel full for longer and keeps our digestive system healthy. Increase fibre by replacing 1/2 the white/plain flour with wholemeal flour.
