

## MALL COPS

Greetings to all,

At the end of Term one, during the school holidays – we held a very successful event called ‘Mall Cops’ where Police were on display at Chartwell Shopping Centre. This was an opportunity for young and old to come spend some time with Police, check out the latest ANPR Highway Patrol, get photos taken in Police gear, see the tactical equipment we use, take part in a physical test, and of course meet a Police puppy. The event was such a success that I have been asked to put together the event again these coming school holidays. This one will be three times bigger! It is to be held at Chartwell Shopping Centre on the Ground Floor

**Friday the 13<sup>th</sup> of October 2017. From 9am to 6pm.**

Here's what will be there:

I liked the dancing.

I liked the songs and dancing.

I made a flower.

We went to the Marae and played games with sticks.

Room 6 participated in learning experiences based on Marae. The students used their prior knowledge and support from their new learning around Marae protocol. They put this learning into action during the visit to Kirikiriroa Marae. Students participated and showed enjoyment with weaving paper creating some amazing art works. They plaited wool to make poi, and decorated their own korowai which they used during a Matariki performance for their parents. The students then recalled what they had seen, experienced or participated in during the Marae visit in the story writing.

I went through the entrance gate. I took my shoes off when I went into the meeting house. I was at the Marae making a flower.

I went to the Marae. I did some weaving and made a flower.

I played with the sticks.

At the marae we had a hongiri and a kai.
